Risk of injury exist in any activity; however, accidents may occur while participating which are not the fault of GWPG or authorized volunteers. The safety and well-being of Participants is a prime concern and attempts are made to manage the foreseeable inherent risks as effectively as possible. Participants must assume the inherent risks (i.e. blisters, road rash, insect bites, sun stroke, dehydration, etc.) and liability should an accident/incident occur.

By signing below, I agree that my/my child's photograph and/or video recording may be taken and used by GWPG or authorized volunteers, for promotional purposes.
