

Ignatius Jesuit Centre

A Place of Peace

Ignatius Jesuit Centre is a place of peace that cultivates spiritual growth and ecological engagement.

We envision a world of peace, connecting all people to God and to Creation.

Rooted in the Catholic Christian tradition and building on the history of the Jesuit community in the Guelph area, we value: all of creation, compassion, unity in diversity, ecological sustainability, interfaith connections, social justice, and the spiritual journey.

We are **dedicated** to providing programs that:

- Foster an **ecological way of life**, for the healing of the world
- Nurture a **deep spirituality** in people, leading to inner freedom
- Promote the production of **local sustainable food**
- Provide a **welcoming space** for individual & communal discernment, and education
